There were three men working at the bottom of it at the time, when a sound was heard as if something had fallen. One of the men rushed to the spot and found the unfortunate young man almost dead. It was about half an hour before any one could be found to get the party out. Frank in was well known in Victoria, where he had a kpet a cigar store before he went to Ca iboo. He was 23 Years of age, and a native of London, Vagand.

A fire occurred in Messrs Meachem & Na. son's saw mill on William creek, whereby the mill was nearly destroyed. Fortunately the fire was put out in good time, or the quarks mill and property adjoining, valued at \$50,000, would have been destroyed.
